FACE WASH

Available Size : 100 ML & 5000 ML

Kills 99.9% Germs

Dexsol Face Wash is a gentle, pH-balanced cleanser designed to remove dirt, oil, and impurities without stripping the skin of its natural moisture. Infused with soothing Aloe Vera and hydrating Glycerin, it leaves your complexion feeling soft, clear, and refreshed. This formula is completely free from synthetic perfumes, using only 100% natural botanical fragrances to ensure a non-irritating wash suitable for all skin types, including sensitive skin.

Key Features

100% Natural Fragrance:

Scented only with pure botanical extracts, making it ideal for those sensitive to artificial perfumes.

Soap-Free Cleansing:

A gentle, non-stripping formula that removes impurities while maintaining your skin's natural oil balance.

Deep Hydration:

Enriched with Aloe Vera and Glycerin to soothe the skin and prevent post-wash dryness.

pH-Balanced:

Carefully formulated to match the skin's natural acidity, ensuring a healthy and irritation-free skin barrier.

How To Use

Moisten your face with lukewarm water and apply a small amount of **Dexsol Face Wash** to your fingertips. Gently massage the gel onto your face in circular motions, focusing on the forehead, nose, and chin, while avoiding the delicate eye area. Rinse thoroughly with water and pat your skin dry with a soft towel for a refreshed and clean feel.

UNDERGARMENT WASH

Available Sizes: 250 ML | 500 ML | 1 Liter

Kills 99.9% Germs

Dexsol Undergarment Wash is a specialized, pH-balanced detergent designed to clean delicate fabrics while being exceptionally gentle on sensitive skin. Formulated with biodegradable surfactants and natural antibacterial agents, it effectively removes stains, odors, and bacteria without damaging the elasticity or softness of your innerwear. Completely free from harsh chemicals and synthetic perfumes, it uses a 100% natural fragrance to ensure your garments stay fresh, clean, and safe for intimate use.

Key Features:

Fabric Care: Protects the life and elasticity of delicate fabrics like lace, silk, and cotton.

Antibacterial Protection: Naturally eliminates germs and prevents odors.

Skin Friendly: Sulfate and paraben-free to prevent irritation in sensitive areas.

Natural Fragrance: Leaves a mild, botanical scent without using artificial musks.

How To Use

For Hand Washing:

Mix a small amount of Dexsol Undergarment Wash in a bowl of lukewarm water and soak your garments for 5–10 minutes. Gently rub the fabric to remove stains, then rinse thoroughly with clean water and squeeze out excess moisture without wringing.

For Machine Use:

Pour the liquid into the delicate cycle dispenser and wash as usual to keep your innerwear fresh and protected.
